SOUTHERN ARC TO PRESENT AT PRECIOUS METALS SUMMIT

September 13, 2011 – Vancouver, BC – Southern Arc Minerals Inc. (TSX-V: SA) (“Southern Arc”) will be presenting at the Precious Metals Summit on Thursday, September 15 at 5pm MDT. Dr. Mike Andrews, Southern Arc’s President & Chief Operating Officer, will provide an update on the Company’s properties and business plan and its current exploration program, and then take questions from the audience.

The Precious Metals Summit is an investment conference featuring explorers and developers with high growth potential. Keynote speakers include George Will, a widely read columnist and journalist, John Hathaway, a limited partner of Tocqueville Asset Management, and Dr. Thomas Kaplan, chairman of the Electrum Group of Companies.

Southern Arc’s presentation will be webcast and available for viewing through a link on the Company’s website at www.southernarcminerals.com.

On behalf of the Board of Directors

“John Proust”

Chairman and CEO

About Southern Arc

Southern Arc Minerals Inc. is an Indonesia-based Canadian mineral exploration company with an aggressive exploration, acquisition and growth strategy. The Company’s portfolio includes four exploration projects with epithermal gold and gold-copper porphyry prospects on the Lombok and Sumbawa islands in Indonesia, three of which are being advanced in partnership with major mining companies Vale and Newcrest. The Company’s key exploration property is its West Lombok project, with several gold-rich copper porphyry and epithermal gold vein prospects. Southern Arc is listed on the TSX Venture Exchange under the symbol SA. More information is available at www.southernarcminerals.com or by emailing info@southernarcminerals.com.
