

NEWS RELEASE

Eagle Hill Exploration and Southern Arc Minerals to Host Investor Session on March 2, 2014

February 3, 2014 – Vancouver, BC – Eagle Hill Exploration Corporation (TSX-V: EAG, OTCQX: EHECF) (“Eagle Hill”) and **Southern Arc Minerals (TSX-V: SA, OTCQX: SOACF)** (“Southern Arc”) will host an Investor Session in Toronto on March 2, 2014, to provide an update on activities at Eagle Hill’s Windfall Lake Gold Project and Southern Arc’s portfolio of projects.

The meeting will be held on Sunday, March 2, in the Territories Room of the Fairmont Royal York Hotel (100 Front Street West, Toronto) from 6:00pm to 8:00pm. To increase accessibility for shareholders, the meeting will be live webcast and participants can ask questions in the room and online. Login details will be available on both company websites. As seating is limited, shareholders wishing to attend in person are asked to notify Rhylin Bailie by phone at 604-676-5241 or by email at info@eaglehillexploration.com or info@southernarcminerals.com.

On Behalf of the Board of Directors

“John Proust”

Chairman and CEO

About Eagle Hill Exploration Corporation

Eagle Hill Exploration Corporation is a Canadian mineral exploration company focused on the exploration and development of the high-grade Windfall Lake Gold Deposit, located between Val-d’Or and Chibougamau in Quebec. In August 2013, Southern Arc Minerals and Dundee Corporation invested an aggregate of \$12 million to purchase a controlling interest in Eagle Hill, consolidate ownership of the Windfall Lake property and fund a significant exploration program. More information is available at www.eaglehillexploration.com.

About Southern Arc

Southern Arc Minerals Inc. is a Canadian mineral exploration company focused on gold and copper-gold exploration. The Company is advancing two properties in Indonesia: West Lombok, a resource-stage property with several gold-rich copper porphyry and epithermal gold vein prospects, and East Elang, a grassroots exploration property that will be advanced in partnership with Vale International SA. In August 2013, Southern Arc acquired a 26% interest in Eagle Hill Exploration, which owns the high-grade Windfall Lake Gold Project in Quebec, Canada. More information is available at www.southernarcminerals.com.
